# Aries 2015

The name of the wine stands for the harvest day (October 1, 2015) when the Moon was in Aries. The perfectly healthy bunches were harvested and were gently pressed. The juice fermented in steel tank and then it was aged in a variety of amphoras. Finally, the wine was bottled in November, 2016.

*„Complex aromas: limestone, tropical fruits, citrus and lemon drop. Nice acidity, straightforward texture, excellent balance. White peach, grapefruit and grapes even out the volcanic, flinty quality of the wine. Rich and profound.” A bor meg én blog*
